Dear Eric:

Congratulations on winning one of FTBA's 2008 "Best in Construction" awards. Your project on Treasure Island Bridge in Pinellas County was selected a winner in the "MAJOR BRIDGE" category. A committee from FDOT and FHWA selects these awards each year. It is a real honor to win one of these statewide awards.

The awards are presented to the contractor and CEI winners, as well as local winners from FDOT at our awards breakfast held during our annual convention. The convention this year is at the Hyatt Regency Grand Cypress, Orlando, August 14-17. The breakfast is Friday morning, August 15, at 7:45 A.M. in the hotel.

Convention registration information is available on the FTBA website, <http://www.ftba.com/ftba/Convention08.htm>. We hope that you and other representatives of your company can attend the entire convention. If you are unable to attend the entire convention, hopefully, someone can attend the Awards Breakfast to accept your awards. We give one award to the company and one award to the project person who managed the job for each company. Those persons attending the breakfast only are invited as guests of FTBA at no charge. FDOT Secretary Stephanie Kopelousos will make the presentations.

Please fax back to us at 850-942-5632 the information on award winners as soon as possible along with the names of those people from your firm who will attend the breakfast. **If only attending the breakfast there is no need to register for the convention.** We use this information to prepare the award plaques. If you desire additional plaques we can have them made for you at our cost. (Around \$150.00) Should anyone desire to stay overnight at Grand Cypress the number is 407-239-1234. Ask for the FTBA rate.

Very truly yours,

Robert G. Burlison
President
